

# March 2010 Discover & Share Days

Welcome Spring!

The children will learn how their food gets from "Farm to Market" during the month of March. Teachers will focus on how seeds are planted, harvesting and how it all ends up in the local supermarket! Children from Ms. Annie's and Ms. Tina's class will be exploring Market Street in Coppell, taking a backstage tour. May March bring many happy days!

## Teacher of the Month

We would like to announce Tasha Cline as our Teacher of the Month! Ms. Tasha has been working with children for the past 19 years, in both daycare settings and as a nanny. She has a B.S. in Human Services and is currently a student pursuing her M.A. Tasha is a wonderful caregiver and is always eager to make a difference in children's lives.

**Thank you Ms. Tasha!**

## NEW STAFF!

We would like to introduce you to Sara Abidi.

Sara has a Degree in Early Childhood Education and a Bachelors in Psychology from York University in Toronto. She is the middle of five children and enjoys reading and shopping. Ms. Sara has worked with children of all ages and enjoys expanding children's curiosity through education.

Vision and Hearing testing was performed on Pre K and Kindergarten students the week of February 8<sup>th</sup>. The results will be handed out the first part of March with documentation stating if further testing is needed. Please direct any questions to Stephanie at the front desk.

### Reminders...

1. Our children go outside almost every day except for rain and extreme cold, so ensure your child has a jacket.
2. Be sure your child has an extra change of clothes in his/her cubby. (Write your child's name in permanent marker on the labels.)
3. Be sure to clock your child in and out every day.
4. When your child has immunizations, please bring in documentation so that we can update their file.
5. If you have concerns, please direct them to Stephanie at the front desk immediately.
